

CHILD AND FAMILY SERVICES OF TIMMINS AND DISTRICT

requires a
Senior Therapist

(Full-time Management Position)

(Location: Timmins with regular travel within the Districts of Cochrane North and South, Kirkland Lake and surrounding area and the James Bay Coast)

The Senior Therapist is responsible for ensuring that clients referred to the Intensive Behaviour Intervention (IBI) Program for children with autism receive the appropriate services regarding assessment, intervention, transitional planning and training. The Senior Therapist is responsible for supervising the Autism Lead Therapists, the Instructor Therapist/Support Worker and the Instructor Therapists. The Senior Therapist will work in collaboration with and under the direction of the Clinical Director, the Autism Program Manager and the Director of Services.

Qualifications:

- Masters degree in Psychology or in related field preferred, or a Bachelor of Arts in Psychology or related field, with a minimum of three years relevant work experience in behavioural intervention with children with autism.
- Knowledge of Autism Spectrum Disorders (ASD) and Applied Behavioural Analysis (ABA) and demonstrated clinical skills for the purpose of assessment and treatment of children with autism and their families.
- Excellent interpersonal, organizational, problem-solving, communication and decision making skills are essential along with the ability to work collaboratively with families and professional team members.
- Bilingualism - French and English considered as an asset.
- Valid driver's license and use of own vehicle.

This job description for this position is available upon request.
