

## Social Care Workers

***Work with us and help reimagine service delivery.***

Come join us and help make a difference! Trillium Support Services is a social enterprise committed to meeting the needs of children, youth, and adults with complex special needs. At Trillium we provide support staff to Residential Programs, Day Programs, Community Support Programs and in Family Homes. As a social enterprise, profits are reinvested in our users programs, in training of our Social Care Workers, in using technology to enhance lives and investing in families.

We are currently looking for Social Care Workers to provide support and guidance to people with highly complex special needs. Our workers will have the opportunity to work within residential support services, day program services and community support.
