

Dear Member

Autism Ontario London Chapter plays a vital role for anyone needing help supporting their family or friends with Autism Spectrum Disorder. We provide support programs for siblings, teens, mothers, fathers, adults and grandparents. We also have the Potential Programme that spearheads community programs, educational workshops, social programs and much more.

Autism Ontario London Chapter is a leader in the province because of the strong families that have been involved in our chapter in the past and present. It is because of their support that we are strong. We believe it is our responsibility to continue their work for those families coming after us.

Autism Ontario Provincial Office requires all chapters to have an active Chapter Leadership Council (CLC), made up of families, community members, and anyone with an interest in making a difference for those affected by Autism Spectrum Disorder.

We will be electing our new Chapter Leadership Council London in April and we are looking for people to step forward and become involved in these important roles within our Chapter.

To learn more about how you can be a part of the Autism Ontario London Chapter and join the Chapter Leadership Council, we would like to invite you to Autism Ontario London Chapter **Open House** on **Tuesday February 7, 2012, from 6:30 pm – 7:30 pm**. We will be meeting at our main office at 1340 Dundas St E (Dundas & Highbury-Salvation Army Building).

The opportunity to be part of the Chapter Leadership Council is open to community supporters, business professionals, healthcare staff, or anyone who has an interested in stepping forward and supporting autism with the gift of their time, please pass along this email.

You can make a difference, you can share your ideas and you can help pass the torch that has been passed to us by the families before us you. Most importantly you would be helping others with ASD and their families.

Please RSVP to Autism Ontario Office for the meeting, or if you are unable to attend but wish for more information. Please contact us at the office (519)433-3390.

Regards,

Julie Yolkowskie
President, Autism Ontario London
