

SOCIAL LEARNING OPPORTUNITY

Creative Art Program (ages 9-13)

Mondays January 23, 30, February 6, 13, 20 & February 27th 2012 • 6:30pm - 8:00pm

This is a 6 week Art Program. It is offered to youth and teens ages 9 - 13 with Autism Spectrum Disorder and their siblings. This program will provide a fun and interactive opportunity for teens to get creative and meet other teens in a social environment. The participants will be shown ways of using colours, signs, images and symbols to create art that tells a story. We will also be introducing some of the great masters work (i.e. Van Gogh, Picasso, Matisse, to name a few). This will be a great opportunity to view and discuss a number of different styles of art and be inspired to create their own masterpieces. Materials will include acrylic paint, watercolours, pen and ink, pastels, collage, mask making (plaster of paris) and clay.

Maximum participants: 10

The Potential Programme is happy to announce that it will be providing this Social Learning Opportunity complimentary.
