THANK YOU FOR MAKING A DIFFERENCE TODAY

On behalf of our camp families, thank you for supporting today's event. All proceeds go directly to our specialized summer program for campers affected by autism spectrum disorder (ASD). Our camp was started in 1987 by parents who could not find a fun, welcoming and safe environment for their campers with additional needs. Although the focus of our camp is on having fun, every moment is a 'teachable moment' for campers with autism and we enthusiastically incorporate educational opportunities, life skills and healthy living activities into our days. Without our program, many of our campers would be unable to experience the activities and outings that others can sometimes take for granted.

HOW WE HELP IN OUR COMMUNITY

Summer Camp Programs • Year round Leisure & Recreational Opportunities

Peer to Peer Support • Educational Workshops

Awareness & Outreach • Resources & Lending Library

Weekly eNews • Website

Connect through Social Media; Facebook, Blog, Twitter, Instagram, Pinterest

GREETINGS FROM AUTISM ONTARIO ~ YORK REGION CHAPTER

Autism Ontario York Region Chapter is a volunteer-based charity. Our focus is '**families supporting families**'. ASD is a complex developmental brain disorder and is characterized by communication difficulties, social/behavioural challenges and sensory dysregulation. ASD is a life-long disorder that affects the way people relate to the world around them. The 'lived experience' of our parent volunteers help other families learn to navigate the local network of services and advocate for their loved ones. Thank you for helping us support families.

I in 66 Canadian children are diagnosed with autism
