

COVID-19 BACK-TO-SCHOOL TRANSITION MEETING CHECKLIST

(For Parents and Educators)

Remember this is a difficult time for everyone. Everyone is doing the best they can in a changing situation. Be kind and work to **understand** each other.

- Record** participants and identify a note-taker.
- Share** aspects of remote learning from the spring to continue at school, child-specific COVID-19 concerns and school protocols, and home-school communication preferences.
- Identify:**
 - Transition goals.
 - Strategies and additional supports needed to support the transition (e.g. visits, social stories, social scripts, visual schedule, transportation requirements, student services, mental health support, safety plan).
 - How the outcomes will be monitored.
 - Who is going to do what and by when.
- Discuss** backup plans should things change.
- Set** the next meeting date.
- Request** a copy of the transition plan and meeting notes.
